## Your **new baby**Buttoned Up. The state of the state of

The following lists cover everything you will need to have ready when you bring home baby. We've grouped the lists into logical shopping expeditions so you don't have to cram it all into one day (unless, of course, that's more fun for you!). If your family and friends are throwing you a baby shower, we recommend that you wait until it's over to go shopping because you might be able to cross a few things off your lists.
